

CELEBRATING

55 YEARS

CHASS

Community Health And Social Services Center

## Our Story

A community's cry for access to health care set in motion a decades long journey to provide quality, affordable, health and wellness care to Metro-Detroit residents. In doing so, the Community Health and Social Services Center, known as **CHASS**, opened its doors in **June 1970**.

Today, CHASS is a **national model** for delivering care to vulnerable populations. We remain **committed** to the ideal that health care is a basic human right regardless of socio-economic status.

# Shaping the Future of Health and Wellness

As we celebrate 2025, we mark a pivotal moment in our journey—reflecting on our achievements while embracing a bold new Mission and Vision for the next 50 years and beyond. However, this celebration goes beyond commemoration. Our continued focus is on providing preventive care to those most vulnerable, even in the face of uncertainty and challenges.

We invite you to join us as a sponsor in this important year. By supporting our calendar of events, you will play an integral role in amplifying the significance of this milestone and reinforcing our ongoing mission to improve the health of the Metro-Detroit community.

# Support Our Mission, Become a Sponsor

Your support will help ensure we can provide essential care to everyone, regardless of insurance status, by covering medical costs, funding comprehensive services, and supporting preventive health initiatives.

Thank you for helping us make a lasting impact on our community's health and well-being.
